GOLD COVER DOCUMENT

WELCOME TO YOUR EXTENDED REPAIR PLAN

Handler Protect is here to assist you with repairs to covered parts that may, during this repair plan, become necessary subject to the full terms, conditions and processes set out within this repair plan.

It is important for you to understand the level of protection that your repair plan provides. No plan will cover every situation or eventuality of a used vehicle, so please ensure you familiarise yourself with the level of cover we are able to provide.

An important part of your repair plan is that it operates on a discretionary basis. We use this discretion and our best endeavours to ensure that you receive a fair and equitable resolution to each repair request you make. This repair plan is an agreement with your dealer, with whom you purchased the vehicle from. Please note this is not an insurance product and therefore falls outside the scope of the Financial Conduct Authority.

Only Approved parts by the manufacturer can be covered. Any parts not purposely listed below will not be covered.

INTRODUCTION

This document explains how your repair plan works. Please make sure you fully understand the terms and conditions relating to the repair plan and always keep this document in your vehicle, along with your repair plan schedule. Your repair plan will be provided by Handler Protect Ltd. An important part of your repair plan is that operates on a discretionary basis. We use this discretion and our best endeavours to ensure that you receive a fair and equitable resolution to each repair request you make. This does not affect your statutory rights.

REPAIR FOLLOWING BREAKDOWN

This repair plan is intended to pay for the cost of repairing the vehicle detailed on the customer schedule up to the limit detailed in the customer schedule following the Breakdown of any covered component. We will not pay for the repair or replacement of components, which have not suffered a Breakdown, for example, components fitted because of your vehicle being serviced or which were faulty prior to the commencement of this repair plan. Your customer schedule details the scope of your repair plan and is partly based on the application you and the Dealer completed online when requesting Repair Plan Cover. Please see the section 'what is not included' for full details of what we will not cover.

OTHER BENEFITS

The repair plan includes the following benefits.

VEHICLE RECOVERY

On approved repair reimbursement we will pay for the cost of recovering the vehicle to the nearest garage, for covered repairs, up to £120 including VAT.

If you don't have breakdown cover then you can call the Handler Protect Breakdown 24 hour pay on use roadside assistance line for immediate help on **01206 812812**. They will provide 30 minutes roadside help, to get you back on the road. If your problem cannot be solved at the roadside, they will recover you to the nearest network workshop.

All costs involved will be your responsibility and payment will be required by credit/debit card before help is provided.

OVERSEAS USE

This Repair Plan covers repairs undertaken in Great Britain and Northern Ireland. If you use your vehicle overseas for less than 60 days per year this protection is extended to cover repairs carried out overseas. You will have to pay the repairer direct and request reimbursement from Handler Protect.

Non-covered or non-listed parts will not be covered, and will not receive any reimbursement if replaced during a repair. We will not pay for any costs caused by, arising from, or connected with, the following:

1. The repair contribution applicable to the repair plan as stated in your customer schedule.

2. From day 31 onwards your repair plan will cover. 2.1. Breakdown of any part / component which has deteriorated due to the passage of time alone and is not a sudden failure.

2.2. Breakdown due to a failure that was developing at or developed prior to the time of the repair plan inception.

3. However, breakdown or damage caused by the use of incorrect or contaminated fuel, oil, lubricant, coolant or other fluid will not be covered.

4. Vehicles that are or have been used for competitive purposes including but not limited to; rallying, racing, time trials, pace making. Vehicles that have been used for hire or reward, as a taxi, by a driving school, for commercial delivery purposes such as dispatch or delivery courier, vehicles that are used off-road. Vehicles not properly taxed, insured and serviced in line with the manufacturer's recommendations during the term of the plan or those with modifications made to the manufacturer's original specification (unless agreed in writing by us).

5. Any loss arising from your failure to have the vehicle serviced in accordance with the conditions of this repair plan, or lack of routine maintenance as detailed in your Servicing Handbook, or through failure to use the manufacturer's recommended type, grade and quality of engine oil or where the cambelt has not been changed in accordance with the manufacturer's recommendations.

6. Any loss where the odometer has been tampered with or altered or disconnected.

7. Repair or replacement of components which have not suffered a Breakdown or the replacement of any components to enable your Vehicle to pass the Government Vehicle Testing Requirements (MOT).

8. The cost of any exploratory, investigation or dismantling work not associated with a covered repair.

9. Any repairs or replacement, loss or damage or liability, which is covered by any other existing repair plan or guarantee, or any form of consequential loss related to the vehicle or experienced personally, including loss of earnings, time, inconvenience, or any other indirect financial losses, faulty design, or faults which are the subject of a recall by the manufacturer.

10. Parts that are recommended by the manufacturer for replacement at a certain reached mileage will not be covered by the repair plan. Example, a clutch has a lifespan of 120,000 miles, and has not been replaced, will not be covered by the repair plan, if the mileage exceeds the recommended duration.

11. If a component has reached the end of its lifespan, and is simply being replaced due to the fact it has stopped due to age and use, this cannot be deemed a sudden failure and can no longer be considered a successful repair reimbursement. The repair plan is in place to cover sudden and unforeseen mechanical failures; it is not in place to cover worn parts or parts that failed due to the fact they have reached their lifespan.

12. Health Check. This repair plan is in place to cover sudden and unforeseen mechanical failures. It is not the purposes of the repair plan to better a used vehicle after it has been recently purchased.

- 29. Good Practice - No authorisation will be sort for any "Good Practice" replacement parts.

Handler Protect has a discretion to refuse to meet any repair. That discretion will be exercised fairly, transparently and in good faith. A repair will only be refused where there is a valid reason for doing so, which may include, for example, the following (non-exhaustive) reasons, where it is material to your repair:

- We consider on reasonable grounds that You have failed to service the Vehicle in accordance with the manufacturer's recommendations.
- We consider on reasonable grounds that You have failed to respond appropriately to warning devices and gauges on the Vehicle.
- There are reasonable grounds to consider that You have failed to maintain the vehicle in a legal and/or roadworthy condition.
- There are reasonable grounds to consider that You have materially misled Handler Protect in relation to the repair. • There are reasonable grounds to consider that the repair is fraudulent in any way.
- You have failed to notify us of a fault within a reasonable period of time, and in any event within 14 days of you becoming aware of the fault.
- You have failed to provide reasonable cooperation with Handler Protect in diagnosing or rectifying the fault.

TERMS & CONDITIONS
GENERAL CONDITIONS (INCLUDING CANCELLATION)

THIS REPAIR PLAN IS SUBJECT TO THE FOLLOWING CONDITIONS:

1. SERVICING

In order to maintain the validity of your repair plan you must have the Vehicle serviced by a VAT registered repairer and look after the Vehicle in accordance with the manufacturer's Servicing Handbook and ensure that the manufacturer's recommended type, grade and quality of engine oil is used. To prove this you should make sure the garage fills in and stamps your Servicing Handbook. You should also keep all service invoices oil specification used) as you must verify that correct servicing has been completed when repairs are made under the repair plan. You should also ensure that the cambelt is changed in line with manufacturer's recommendations (documented proof of this will be required in the event of a repair for cambelt failure). A maximum allowance of 30 days or 1,000 miles (whichever occurs first) in excess of the manufacturer's stipulated time or mileage for scheduled servicing is permitted.

2. PROCEDURE FOR REFUNDS AND RECOVERY OF REPAIR COSTS

You must follow our 30 day rules, If your vehicle develops a fault, contact the repair plan company within 30 days. When Logging a New Repair Repayment forward all requested documentation within 30 days of being notified. Acceptance of repair repayments must be completed within 30 days of being notified. All other decisions must be acted upon within 30 days of notification, as failure to do so will result in non- reimbursement of your repair.

3. REPAIR AUTHORISATION

No repairs are to be commenced until we have given authorisation and issued an authorisation number.

4. INVESTIGATION COSTS

It is your responsibility to give the repairer permission to commence exploratory, investigation or dismantling work to establish the primary component failure and cause of the primary component failure and to pay the costs if such work proves that the fault is not

our responsibility. Any exploratory, investigation or dismantling costs will only be reimbursed if they are part of a valid repair.

5. USE OF ENGINEERS

We reserve the right to instruct an independent engineer to inspect your vehicle before authorising any repair. When this right is exercised we shall have no liability for any loss to you arising from any possible delay. Should you decide to give permission to the repairer to commence repairs, without authorisation being obtained from us, you do so in the full knowledge that we may not meet the cost of your valid repairs because you have denied us our right to inspect the vehicle prior to its repair.

6. CONTRIBUTION

It is not the intention, implied or otherwise, of the repair plan to make new vehicles from old. Where replacement components are fitted to replace old worn components which have suffered a breakdown, this results in your vehicle being in a better condition than it was before the breakdown, so you are required to pay a contribution towards the cost of the repairs, up to the current market vehicle value or repair limit selected. For vehicles older than 6 years or with more than 60,000 recorded miles this repair plan will provide cover based upon the limits detailed in the customer schedule and in accordance with the following table based upon vehicle age and mileage at time of failure. Please note the maximum combined reimbursement paid out cannot exceed the current market value of the vehicle, nor the repair limit selected (if applicable).

Contribution Scale: Age or Mileage

AGE OR MILEAGE	YOUR REPAIR CONTRIBUTION
(Only Parts - 100% Labour) Up to 6 Years or 60,000 miles	0%
Over 6 Years or 60,000 miles	20%
Over 7 Years or 70,000 miles	30%
Over 8 Years or 80,000 miles	40%
Over 9 Years or 90,000 miles	50%

SUMMARY DETAILS

GENERAL CONDITIONS (INCLUDING CANCELLATION)

The mileage limits as stated above are the total miles from the date of the vehicle's first registration for use on the road. Where a vehicle has high mileage for its age, the mileage will be used to determine the contribution scale that is applied to your repair request. Where the vehicle has low mileage for its age, the age will be used to determine the contribution scale that is applied to your re.

The repair contribution is applied to the net cost of repair excluding VAT.

Option to purchase 100% Parts & Labour Cover available at start of cover (only available to vehicles with less than 110,000 miles), contact Handler Protect for more information.
